

# BETTER

Words and Music by Kysern Lim  
Lead vocals by Kysern Lim

## VERSE 1

You, You are always for me  
You will go before me  
Through every storm and every valley  
You, You are my defender  
Healer and deliverer  
Your love is my banner

## PRE CHORUS

Whoa... Whoa...

## CHORUS

You are ever by my side  
Through the darkest night  
To trust in You is better  
Than all that I can do

I live for all my days  
To declare Your glorious ways  
To trust in You is better  
So I place my hope in You

## VERSE 2

Though my enemies surround  
Over them I will surmount  
You are my strength and my song  
I am saved by You alone  
My rock and cornerstone  
You are my strength and my song

## BRIDGE

Your mercy endures  
Your mercy endures  
Your mercy endures  
Forevermore
