

GRACE LIKE AN OCEAN

Words and Music by Ju En Tan and Andrew Teo
Lead vocals by Ju En Tan
Rap by Fong Shelhiel

VERSE 1

Caught up by the wonder of all You've done our eyes have seen
Your love sent us a Saviour to save a sinner, one like me

PRE CHORUS

Your blood has won me over
We're dancing to the beat where freedom's been redeemed
My sin and shame are broken
Jesus, You're everything, my life in You I lean

CHORUS

Your grace is like an ocean
I'm sinking deep within Your mercy sea
I'm drowning in an ocean
Your love runs wild, it's crashing over me

VERSE 2

Taken out to freedom
Oh how You saved a wretch like me
Your love sent us a Saviour
Once was blind but now I see

RAP

What is this grace? What is disgrace?
A brand new pace to face this race
You freed me from my transgressions
Destruction to resurrection

You bled for me, redeemed me, forgave me
Born again; my true identity
Your grace overflows all my reserves
Your mercy gives me not what I deserve
Iniquity, anxiety, calamity; gone, gone, gone
The Saviours' blood now flows in me
You loved me before I loved me
A different life; humility
What can I say
What can I do
So ancient yet so relevant
I'm overwhelmed by Your love; can't see the end of it; it's overflowing
Ah! Your grace is like an ocean
