

# JAR OF PRAISE

Words and Music by Phoebe Tan, JuEn Tan, Cheryl Ho  
Lead vocals by Phoebe Tan

## VERSE 1

You bent down and wrote on sand  
Forgiveness that took my hand  
You buried my past  
With Your infinite love

## VERSE 2

You stooped down, You spoke for me - a sinner  
You set me free  
Light of the world  
Shining bright like a fire

## CHORUS

God I bring You praise  
Take this jar  
The mark of grace  
I'm seen beyond my scar

I'll break this jar of praise  
My sins erased  
This contrite heart  
What You desire  
You see me beyond my past

## VERSE 3

Freedom, the gift You gave  
None can earn, none can repay  
Your word carries me  
By the truth I'm set free

## BRIDGE

My sins forgotten  
Now looking down at my grave of shame  
On this freedom ground  
Hallelujah You reign
