

# NOW OR NEVER

Words and Music by Ju En Tan and Daniel Kuilan  
Lead vocals by Daniel Kuilan

## VERSE 1

This is not just a song we're singing  
Give me a heart of love  
This heart for souls O God I pray  
Will never be shaken

## VERSE 2

Speak Your word that changes our ways  
To give it all, to let it go  
Build our hearts to Your desires  
Cause we're ready this is now or never  
Cause we're ready this is now or never  
Cause we're ready this is now or never

## VERSE 3

It's either You with me or I'm not going  
Without Your presence all this means nothing  
Lift my feet up I'm going stronger  
God I'm ready this is now or never  
God I'm ready this is now or never  
God I'm ready this is now or never

## CHORUS

Now or never  
Now or never  
Now or never

## ANTHEM

Whoa...

## CHORUS 2

Now or never  
Now or never  
Now or never

Now or never  
Now or never  
God I'm ready this is now or never  
God I'm ready this is now or never  
God I'm ready this is now or never
