VERSE 1

Your light beams through my life

My fears and all my edges

A refraction of Your faithfulness

VERSE 2

Your call is in my life

A spotlight to Your goodness

An explosion of unfailing love

PRE-CHORUS

Now I see flames turn into fire

While the streets they glow

In a city You have called for

As the darkness fades away

A new life, taken place

From black and white to colours bright

CHORUS A

I come alive in You

I come alive in the love You've shown

VERSE 3

Your promises through me

Grace so undeserving

I am set apart by Your great love

VERSE 4

Your heart pursuing me

Where I go there You'll be

Steer my ways into the heart of Yours

CHORUS

I come alive in You

I come alive in the love You've shown

Knowing Your breath is in me

Under Your grace, I am free

See the colours burst in light with You in me

It's Your goodness the whole world

Has got to see

To see You're the light in me
