VERSE 1

You gave it all so that I could find You
Lost in the waves as my soul finds refuge
I'm gonna wait when my heart seems far from You
My eyes on You

VERSE 2

You gave the world, Lord, a life to follow
Now that to sing to you I need no reason

PRE-CHORUS

Weather my heart to show me I was wrong
In You in the raging sea my strength comes from

CHORUS

I can sing Your love with the grace upon me
For my Saviour's work down on calvary
And with all I am, I give it all to You now
So Lord have Your way

CHORUS

I can sing Your love with the grace upon me
For my Saviour's work down on calvary
And with all I am, I give it all to You now
So Lord have Your way

CHORUS

I can sing Your love with the grace upon me
For my Saviour's work down on calvary
And with all I am, I give it all to You now
So Lord have Your way
